Men's Liberty™ is an external urinary catheter for men. It uses a proprietary hydrocolloid seal to create a leak-proof seal around the urinary opening. Urine flows away from the body through a gravitational vent, keeping skin dry for up to 24 hours. The attached collection pouch is worn inside the underwear. With more than 5 million units sold, Men's Liberty is a discreet, dignified, and dependable option for managing urinary incontinence.

What's included with each unit:

Step 1: Preparation

BioPlus+™ Prep Wipe

Steps 2&3: Application

Urinary Collection Pouch and Faceplate Seal

Men's Liberty™

a **Bravida Medical** brand

- Feel comfortable and dry for up to 24 hours
- Gain freedom from the irritation and expense of diapers and pads
- Not a condom catheter; Men's Liberty attaches to the tip of the anatomy
- Available at most VA Health Centers through the outpatient pharmacy
