

Dear Healthcare Professional,

Thank you for your interest in learning more about the Men's Liberty™ solution for your male patients' urinary incontinence. Men's Liberty is an external catheter alternative to condom catheters and adult diapers.

Men's Liberty is the first truly innovative device for men's urinary incontinence that keeps men dry 24/7. It features a completely external design, a skin friendly hydrocolloid adhesive and a secure seal for up to 24 hours. To date, more than 5 million have been used. Men's Liberty is the discreet, dignified and dependable option for managing urinary incontinence.

Men's Liberty is manufactured by BioDerm, Inc. in Largo, Florida. We also offer a line of products to support Men's Liberty such as FreeDerm® Adhesive Remover, KindKlamp™ Penile Clamp for easier application and bed and leg bags for additional capacity.

Men's Liberty is a great alternative to long term care facility residents, your patient during surgery, as well as post-op to help keep them stay comfortable and dry. Best of all- it is easy for your patients to get. Men's Liberty is covered by Medicare and over 3,000 private insurances. (*standard co-pays and deductibles will apply). Simply fax a completed Letter of Medical Necessity (LMN) on the patient's behalf to Men's Liberty.

If you would like any additional samples, brochures or have questions do not hesitate to reach out to us. Our team is available Monday through Friday 800-814-3174 (9 a.m. - 5 p.m. EST).

We look forward to supporting your patients!

Sincerely,

Your Men's Liberty Customer Care Team
