A New Way to Manage Male Urinary Incontinence At Home and On The Go

Transition from Men's Liberty Acute in the hospital to staying dry 24/7 with Men's Liberty.

If you have been using Men's Liberty Acute, then you are already familiar with the benefits of this revolutionary device:

- One-size-fits-most¹
- Unparalleled leak prevention²
- Easy to apply and remove^{1,2}
- More comfortable and sanitary than adult diapers or pads
- Better skin integrity protection than condom catheters¹ or diapers
- Men's Liberty has the same great design, but also features a discreet collection pouch allowing you to get back to your active lifestyle with dignity and confidence.
- Men's Liberty is covered by Medicare and most private insurance plans, and may be available to you at little to no cost. Standard co-pays and deductibles apply. Don't come home from the hospital wearing a diaper or condom catheter.
